

# Tools of Data Science

June 1, 2022

My Jupyter Notebook on IBM Watson Studio

Josh Flieder Supervisor

I am interested in data science because I am very interested in coding. Data science appears to be a great way to me to pursue programming while being able to apply my physics degree.

The following line will add 1 and 1 together

```
[6]: 1 + 1
```

```
[6]: 2
```

Here is a horizontal rule

Here is a bulleted list:

- Thing 1

- Thing 2

- Thing 3

Here is a numbered list:

- Thing 1

- Thing 2

- Thing 3
